

Berteau Neighborhood Greenway Meeting at Welles Park Gymnasium Aug. 16th 6:00PM – 7:30PM

Chicago Department of Transportation (CDOT) and 47th Ward staff will present final concepts for the proposed Berteau Neighborhood Greenway. The goal of this project is to improve safety on Berteau, between Lincoln and Clark, and create a roadway that is more comfortable for all modes of transportation. The concepts being presented will reflect public input gathered at previous community meetings.

All are welcome to attend in the community meeting room at the Welles Park Gymnasium. There will be a short presentation beginning at 6:20 followed by an open house to review the draft plans.

More information on the project is available on our website at:
