Summer Learning Opportunity for Feeder School Students

Lake View High School is excited to introduce *The Lake View Experience*, a summer learning opportunity designed specifically for current 5th, 6th, and 7th Grade students from feeder schools in the community of Lake View High School.

Create Your Own Path...

This free, innovative program will feature teachers from elementary feeder schools and Lake View High School co-teaching to provide students with fun, skills-based learning experiences. Below is a sample of potential topics for students to explore:

- Robotics
- Gardening & Nature
- Visual Arts
- Remote Control Car Construction
- Athletics & Sports
- Photography
- Civics in the City of Chicago (Guest Speaker Series)

If you are interested in this learning experience for your child, help determine the best dates and time for your family by selecting from the options provided. Thank you in advance for your support of *The Lake View Experience*, a comprehensive summer learning program for your community. Visit www.lakeviewhs.com for more information.

If unable to attend, please provide your email address below to stay informed of future news from Lake View High School. Thank you!
